Hello again

I am sorry to be a bother on this but wanted to follow up to see if you have had any luck in getting an answer to our questions about the accounting for any assessments against industrial users. Thanks for any information on this subject.

Sincerely,

Peg Hutchinson

Hello

Thank you again for sending these monthly financial statements. So that I can more fully understand the status of the account I have tried to identify what credits, if any, are attributable to assessments against industrial users. Are any of the credits listed herein due to assessments against industrial users? If not, is there a separate account used for that purpose? Thanks for any clarification of this issue.

Sincerely,

Peg Hutchinson
